LETTER TO THE EDITOR

Mammoth Little League drastically reduces cost to play

Mammoth Little League has an exciting announcement to make. The board of Mammoth Little League prides itself on being a part of the Mammoth Community and a big part of that is listening to the people of this wonderful community. Many people in Mammoth and in the Tri-Community work for Asarco and currently those employees are working under the previous contract while the company and the unions negotiate a new contract. A recurring theme has emerged while talking with families and that is that families are worried about the future of their jobs.

Mammoth Little League was extremely blessed this year with donations. As a result, we want to give back to the Mammoth Community and with the current economy and the state of uncertainty that surrounds these contract negotiations now seemed like the perfect opportunity to help not just children but parents as well.

Mammoth Little League believes strongly in the life lessons playing baseball can teach each young player and we believe every child who wants to play should be able to regardless of finances. That is why for this year, we are drastically reducing registration fees. The new registration rate for the 2019 Baseball season is $10 for the first child and $5 for the second, each additional sibling who has the same legal guardian and lives at the same address will be free. Every child will still receive a complete uniform consisting of a hat, shirt, pants, and socks. We just do not want children to miss out on the baseball season because of the uncertainty caused by the current contract negotiations going on at Asarco.

We wouldn't have been able to reduce our rates without the amazing sponsors that have stepped up to help us out this year. We want to thank each and every organization that has donated money or equipment to help us make this the best season yet.

If you have not yet registered or dropped off those registration forms for Mammoth Little League 2019 season, there are still a few days left. Mammoth Little League will be at the Rancheros Carniceria Meat Market this Thursday, March 7, from 5-7 p.m., and at La Casita Café in Mammoth this Friday, March 8, from 5-8 p.m. Payment arrangements can be made if needed. So come sign up and join us as we "play ball!"

Family First: A Diaper for Change

This past week up in the high desert of Arizona, we saw the weather go from cold and 10" of snow on the ground to 70 degrees and sunshine! It can change from winter to spring that quick. Along the roadways I've seen lupine and the desert poppies sprouting up from the ground as if to say we're here, Spring has arrived!

It reminded me how quick things can change. I was brought back to a time when my wife and I were young parents with newborn children in diapers. Diapers back then were more work, they were cloth diapers that needed to be rinsed out, stored in a bucket, then washed and dried to be used again, pew! Then a marvelous invention came about; paper disposable diapers, it was revolutionary! What a change, in more ways than one. Just as quick as our springtime, our children grew out of diapers into big kid's pants and on into life with children of their own!

Like all marvelous things there is a cost, today diapers for a child costs an average of $160 per month! At Family First we saw the need in our young families here struggling to provide this basic necessity for their children, and the Family Diaper Bank was born! Under the umbrella of the Family First organization is the Family Diaper Bank. As we started to collect diapers for our families with young children we soon found out there were others.

Unlike our children who soon outgrow the need for diapers, right here in our community are disabled who never outgrow the need for diapers. Many suffer with incontinence their entire lives and need diapers for school and later for work. There are elderly who suffer with incontinence who need diapers to get out of the house. The Family Diaper Bank provides diapers not only for young children, but the disabled and the elderly!

Studies have shown in homes where families cannot afford diapers, health issues can occur. Diaper rash leads to crying babies, increasing the chance of abuse of the children. A lack of diapers can also lead to abuse with families caring for the disabled and the elderly. For the elderly a lack of diapers can force elderly to have to stay home, a leading cause of depression in elderly today.

What am I saying? Diapers are a small item that "changes" lives! A change of a diaper "changes" a child, a disabled person, and elderly person's lives for the better, along with those caring for them! At Family First, the Family Diaper Bank has been "changing lives" here in our community for 15 years with one small item; a diaper. "A diaper for change!"

You can help "change a life" by helping the Family Diaper Bank provide this basic need, a diaper, to children, disabled, and the elderly today! You can write a check today to the Family Diaper Bank to "make a change" in our community! Call our office at 520-896-9545 or our website at www.familyfirstpcc.org today.

God Bless,
/s/ Frank and Clare Grochocki

Big turnout for Firewise town hall meeting

By John Hernandez
San Manuel Miner

Close to 100 people showed up for a Town Hall meeting at the Oracle Community Center on Tuesday, Feb. 26, 2019.

The subject was "Wildfire and Insurance: What You Need to Know" and included a panel of local insurance agents to discuss and answer questions about wildfire. The agents were Aaron Franco (State Farm), Kelly Madril (Frontier Insurance) and Ruth West (Farmers Insurance).

The meeting began with Oracle Fire Chief Jennings introducing some of those in attendance. This included Pinal County Sheriff Mark Lamb, Lt. Eli Pile and representatives from the Mammoth Fire Department, Pinal Rural Fire Department and Pinal County Emergency Management. Frank Pierson was the moderator of the panel.

The insurance agents spoke about the importance of sitting down with your agent and reviewing your policy to make sure you have enough wildfire coverage. Other topics included what is covered in a wildfire coverage for rental property and documenting your personal property with photographs or video stored on a thumb drive. Barbara Elliott, Emergency Management Planner for Pinal County briefly spoke about the importance of signing up for the Pinal Emergency Notification System (PENS). This is an emergency mass notification system to alert residents and businesses about emergencies and other important community news.

Mary Harris and Margie Buchanan (co-chairs of Firewise) spoke briefly. Firewise and CERT members handed out information and a free brush dump coupon to those in attendance. The meeting was informative and well received.

Sea Lions swimmers compete at Junior Olympics

Evan Apuron 1st 1000 Free, Tabitha Kellam 1st 1000 Free, Darien Apuron 2nd 400 IM, AJ Lopez 3rd 1000 Free. Jeanine Apuron | Apuron Photography

The Sea Lions Swim Team competed in Junior Olympics held at the Sahuarita Aquatic Center on Feb. 22-24. Fourteen Sea Lion Swimmers achieved qualifying times at USA sanctioned swim meets to be eligible to compete. It was the first Junior Olympics for Jocelyn Hudson (9), Cooper Dale (11), Julie Ramirez (12) and Mia Dale (13).

Snow on Friday presented an unusual challenge for swimmers at the outdoor facility. Swimmers took advantage of the situation and built a snowman and snow sea lion. During the events, swimmers stayed bundled up in parkas until moments before each race in the heated pool. Even in the challenging weather conditions the Sea Lions achieved many personal best times. Coaches were proud of the fact that we were the rare team that did not have any swimmers back away from any events because of the weather.

Several Sea Lions won events during the competition. Johnny Smallhouse (12) won the 100 Breaststroke; AJ Lopez (15) won the 200 Individual Medley (IM); Tabitha Kellam (15) won both the 1000 Free and 200 IM; Evan Apuron (15) won the 1000 Free and 200 Free; and Darien Apuron (17) won the 200 Butterfly and 1650 Freestyle.

In the team standings, the Sea Lions Girls finished in 7th place with 94 points and the Boys finished in 6th place with 112 points.

The Sea Lions Swim Team practices in Oro Valley during November – March while the water is too cold to hold practice in Mammoth. Anyone interested in more information on the Sea Lions can contact Alex Gort (896-2190) or check the team website, sealionsswimteam.com.

Tri-Community residents 'zipping' through history

Residents from Oracle and San Manuel have opened Outlaw Zipline in Old Tucson. The owners; Michael Reddish and Jeff Egan have worked for five years to get Old Tucson to agree to this incredible opportunity. This is the first of its kind in the world – a target shooting zipline. This zipline allows people of all ages from 3 up to 103 to go comfortably. They can shoot targets with top of the line laser guns and see their scores on the big screen TV at the end of the line!

The zipline allows you to travel at a comfortable 15 MPH and has two separate braking systems which slow you down gently and comfortably. With a laser gun, you can shoot at the targets along the way and see instantly if you hit any or all of them and see your score immediately! You are in a comfortable full body harness, You don't have to break yourself, you can concentrate on aiming, shooting, or just having fun.

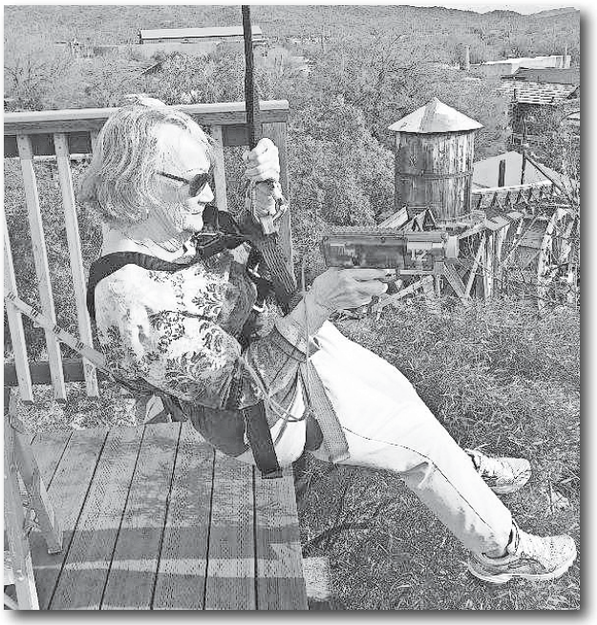

"We have had shooter clubs come out and book events with us as this is the first of its kind in the world," said Michael Reddish, Owner of Outlaw Zipline. "Our zipline is one of the most comfortable in the world. It allows people who are too young, too old, or who are not that strong to go ziplining and have the thrill and excitement of flying over Old Tucson!"

The Outlaw Zipline helps you to get over your fears and anxiety because you can concentrate on aiming and shooting at targets instead of your fears. It allows your mind to focus on something besides being afraid. For target shooters, it is fairly hard because of your position and movement. If you consider yourself a great shot, they challenge you to come on out and give it a try!

"We have had people over 100 years old and as young as 3 years old zip over Old Tucson," said Jeff Egan, also an owner. "They really love the excitement and thrills of zipping over the water and people cheering and watching them as they try to beat their score and have just a lot of fun."

Watch out for these guys. They have a lot of great ideas. They have put in the longest zipline, the fastest zipline, and the tallest zipline at one time or another. Now they are focusing on putting in activity ziplines; Target Shooting, Ninja Warrior, Sword Fighting, and Strength Building Ziplines.

OWN Oracle sponsors free dinner

By John Hernandez
San Manuel Miner

The OWN Oracle group sponsored a free dinner at the Oracle Community Center on Friday, March 1, 2019.

It was a night of fun, food, entertainment and information about the work OWN Oracle is doing and what they have to offer for members. Presentations were given by Sue Parra, Jim Pollack, and Liz Tuck.

Music was provided by local talent which included Austin Owens, Tina Bolt, Shayna Parra and Andrew Robles. Dr. Coralee Thompson prepared a delicious meal and Tina Bolt baked her tasty homemade bread. Coralee is the new doctor at the Oracle Sun Life Family Health Center. Sun Life Board members and management staff participated in the dinner along with other local business owners and residents.

OWN Oracle is doing wonderful things for the community and is promoting and assisting businesses in the area.

Pinal County demolishes abandoned home in San Manuel

Pinal County announced a few months ago that it had made the decision to demolish the abandoned home at the corner of McNab Parkway and 6th Street in San Manuel. Thursday, the house was demolished. Pinal County Supervisor Pete Rios explained that Pinal County does not frequently involve itself in the demolishment of these public nuisances, however due to the extreme circumstances, safety of the this structure and years of distress, this was a rare exception. Rios' office worked with the Pinal County Attorney's Office and the San Manuel Community in this effort. Rich Broeker | Submitted

Voices in the Oaks Chorale presents St. Paddy's Day celebration

Celebrate St. Paddy's Day with the Voices in the Oaks Chorale! Wear your green and come hear the sweet sounds of the Voices in the Oaks as they sing arrangements of traditional Irish folk songs to commemorate the day. The chorus will be conducted by Director Mary Huebner, and accompanied by pianist Sheryll McManus, music director for Oracle Union Church. Other solo instrumentals will include: flute, violin and percussion.

The sure-to-please program is a diverse mixture of Irish folk songs, beginning with a street ballad lamenting the repression of supporters of the Irish Rebellion of 1798, and followed by love songs, ballads, as well as a rollicking drinking song.

The choral concert will open with Cattle Street Gathering, an instrumental group, specializing in the music of Ireland. Wear your dancing shoes! The 5-piece band will be performing Irish jigs, reels, slip jigs, slides, hop jigs, polkas, waltzes and airs played on guitar, flute, fiddle, bass and more!

This concert is sponsored by Jim and Judy Walsh.
