Rios' county office provides landfill vouchers

Pinal County Supervisor Pete Rios in conjunction with the Pinal County Public Works department continues to offer District 1 residents free landfill vouchers in eastern Pinal County. The voucher program was initiated to help residents with waste disposal costs and reduce the amount of illegal and wildcat dumping in the desert.

In 2018, a total of 5,223 voucher were issued, but only 2,983 of those vouchers were redeemed.

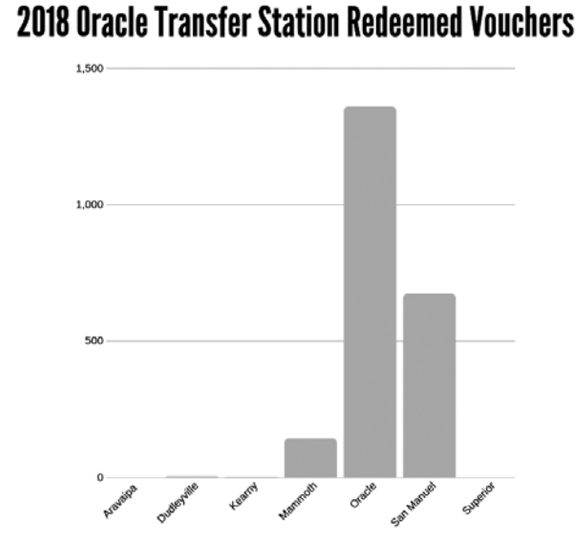

Supervisor Rios encourages local residents to take advantage of the voucher program and help keep yards free from bulk-trash, reduce fire danger and help keep our deserts debris-free.

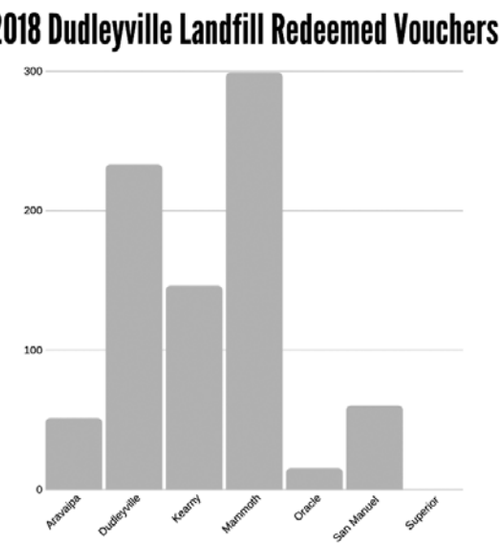

Several simple rules apply:

- Three vouchers are issued to Pinal County residents for their primary residence only
- You must provide a current utility bill with your name and service address imprinted to verify proof of residency and it must be dated within the last 60 days
- Vouchers are only valid for the current calendar year
- You may redeem the vouchers at the Dudleyville landfill or the Oracle transfer station
- Each voucher allows for disposal of one truck load (750 lbs) of residential debris at Oracle and three cu. yds. at the Dudleyville Landfill for no charge

You may obtain a voucher at Pinal County Board of Supervisors office (or email a valid utility receipt and vouchers will be mailed to you). Supervisor Rios' office is located at: 118 Catalina Ave., Mammoth, AZ 85618

For more information regarding the waste voucher program please contact Rios' office at 520-866-7830 or 520-487-2941.

LETTER TO THE EDITOR

Thank you, volunteers, for the wonderful memorial

You might have missed a recent article in the *Miner*, even though the subject was covered in two different issues. (May 8 and May 29, 2019) Perhaps you skimmed it or skipped it completely for whatever reason. The articles were about the dedication of the Tri-Community Vietnam Memorial and I wanted to call attention to just how wonderful this project was and is.

The names of seven young men adorn this new memorial, seven young men who died serving their country, leaving behind many who loved them. Memorials serve as a reminder of lives lost much too soon, a reminder for those left behind that their loved one will not be forgotten by future generations. Memorials are a visible reminder that in this busy, crazy, technology-filled world, the sacrifice these young men made shouldn't fade away, but should be honored and remembered.

What you also might have missed in the articles were the names of the many volunteers involved in the project. The memorial workers that dedicated their time, materials and talents to bring this project to completion. I would like to personally thank each and every one of you for making the decision to help bring this Tri-Community Vietnam Memorial to life. You are each amazing!

I was quite young during the Vietnam conflict. I wasn't impacted by these losses. I don't even remember hearing about any of these young men as I grew up in San Manuel. I do know though, that I was touched by the articles, touched by the list of fallen heroes and their "stories", touched by the list of volunteers who gave of their talents and time to make sure these young men will always be remembered for their sacrifice for the sake of my freedom and yours.

Thank you,

/s/ Joellen (Thomas) Brown

Summer Heat Safety

AZ SAFETY SOLUTIONS

By Karen Hauca
Special to Copper Area News

Many of us are familiar with the Eddie Murphy movie Beverly Hills Cop. While the theme song sung by Glenn Frey, "The Heat Is On" is about the police going after the bad guy, it certainly describes the summers here in Arizona.

Summer officially started this year on Friday, June 21, and with it comes the warmer and HOTTER days of summer. This is the time we are outside more enjoying the beauty of this state and all it has to offer. Some people must work in the hotter temperatures no matter how hot it gets. So, heat safety isn't just for those enjoying their vacation or time relaxing outdoors.

As many of us who live in the desert are aware, the higher temperatures can quickly cause dehydration and bring on potentially life-threatening heat-related medical issues. During our hot summer days our body still sweats even though our skin may appear to be dry. The lower humidity we have here in the desert can evaporate our sweat making it look like we are not all that hot so the summer heat isn't a problem, but IT IS!!

There are three stages of summer heat-related medical issues that can happen and rapid recognition and treatment of those issues can help save a life or prevent any permanent damage to someone's body. Signs and symptoms of heat related illness are: (below)

Once you recognize the signs of a heat-related illness you must act quickly! What can you do to help a person experiencing a heat-related illness? Follow these guidelines but above all, when in doubt or if the person shows signs of a serious issue DO NOT HESITATE to call 9-1-1!!

Before the arrival of emergency medical personal here are some steps you can take to help a person exhibiting signs of a heat-related illness: (see graphic on page 5)

While everyone can experience a heat-related illness the most susceptible groups are the very young, the

Heat Stroke	Very high body temperature; fast pulse; fainting; confusion; passing out, convulsions, coma, and in many cases, death

Copper Corridor celebrates our nation's birthday

Happy 243rd Birthday, America!

Communities throughout the Copper Corridor are ready to celebrate. There are several events planned, including one fireworks display, and residents are invited to join in the fun.

The Town of Hayden offers the only fireworks display this year (although Apache Sky Casino wowed the crowds on Sunday with a pre-July 4th fireworks display).

Hayden's celebration begins at 7 p.m. at Hastings Park (Golf Course). Enjoy hot dogs, chips and watermelon prior to the fireworks show, which begins at sundown.

The Town of Kearny's kicks off its 4th of July Celebration at the Swimming Pool. Pool opens at 1 p.m. Head over for kids activities, prizes, free swimming and family fun.

In Superior, the Youth Council will be hosting the event with free swimming at the pool from noon to 8 p.m. Jumping castles will also be available throughout the day and the Youth Council has purchased some pool toys to add to the fun at the pool.

From 5-7 p.m. the Youth Council will be serving free hot dogs, snow-cones and cotton candy. DJ Supie Town will be playing from 5-8 p.m.

At this time the fireworks show has been cancelled due to fire restrictions. The Town will reschedule the fireworks show once there are no fire restrictions.

In the Tri-Community, there will be celebrations in Oracle and Mammoth.

The Oracle Community Center will sponsor a Fourth of July festival again this year at its location, 685 E. American Ave. The activities will begin at 9 a.m. and run until 3 p.m. There will be free lunch for children under the age of 16. Other adults are $5. Activities will be free to the public.

This year's event will showcase activities sponsored by non-profit organizations and businesses located throughout the region. Local artisans and other vendors will be on hand providing unique experiences for all who attend.

In Mammoth, it's all about the pool. On Thursday, July 4th, the Town of Mammoth and the Sea Lions Swim Team are hosting a Fourth of July Celebration at the

Sea Lions Swim Team wins against Parkside

The Sea Lions hosted a meet against the Parkside (Anthem Merrill Ranch) Piranhas on Saturday. The Sea Lions won the meet 894-343.

The Sea Lions seem to be firing on all cylinders at the right time of the season. The Sea Lions winning 65 of the 83 races at the meet was only part of the story. The fact that the team has swimmers competing from age 4 – 18 and was able to put some of the best swimmers in the league in every event of nearly every age group made many races exciting.

The 82 personal best times recorded by Sea Lions swimmers at the meet is a sign that the hard work in practice is paying off. Coach Alex Gort was pleased with level of performance.

"Both teams had some outstanding times for late June. The fact that we had so many great swims in all age groups puts us right were we need to be heading into the League Championship Meet in a few weeks," he said.

As competitive as the Central Arizona Swimming League is this year, there are several teams that have a chance to win the Championship. The Sea Lions hope to win for the 13th consecutive year.

Gabriel Marquez (4), Johnny Smallhouse (12) and Mia Dale (14) swam the maximum number events and won all of them.

Evan Apuron broke his own team record in the 100 Breaststroke with a time of 1:06.01.

Two new Sea Lions competed in their first meet on Saturday.

Four-year-old Denise Sanchez finished second in her first race ever, the 25 Butterfly, and earned a ribbon.

Additionally, he shows Beastly enthusiasm and support by cheering for his teammates.

Pinal Rural celebrates graduation from wildland training

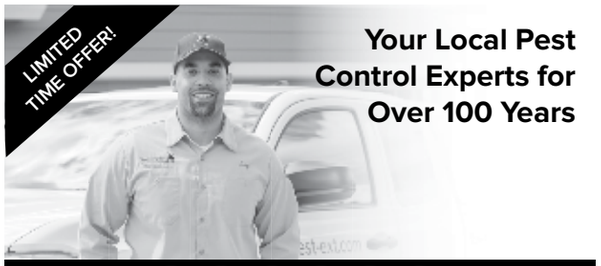

Last Sunday, Pinal Rural Fire and Medical District in Mammoth celebrated the completion of wildland fire training by several of its firefighters by raising a can of water (donated by Anheuser-Busch). On hand to help celebrate were Fire Chief Bobby Apodaca, Captains Enrique 'Jerry' Lopez and Ian Whittaker and Assistant Chief Tom Moloy. Following the final class, the firefighters enjoyed a wonderful meal prepared for them by the Rancheros Carniceria in Mammoth. Later that same evening, the firefighters headed over to the Apache Sky Casino to assist with the annual fireworks display. A small brush fire broke out after an audience member set off a Roman candle. Pinal Rural dispatched its brush truck and the conflagration was quickly extinguished. John Hernandez | Copper Area News
